## MISSIONARY TRAINING IN NYC

This infographic was created by the New York City International Project. Our sole vision is to see all remaining unreached people groups reached with the Gospel of Jesus Christ. To do this, we host a one-year missionary training amongst the rich diversity of New York City that involves the following elements:

### UPG MINISTRY

- live among one of NYC's 52 UPGs
- develop a plan to reach them with your UPG team
- practice cross-cultural evangelism
- start a Discovery Bible Study or use T4T to reproduce disciples!

### HOUSE CHURCH

- you will be a part of a house church so that you will know the nuts and bolts of what you will be planting

### CAMPUS MINISTRY

- meet influential international students in NYC's universities
- do a 7-week English Conversation Group with them
- start reproducible Discovery Bible Studies with them and their friends!

### (BIBLE CLASSES)

- optional and helpful for those who want to earn Bible credits for mission agency requirements
